

Call for Poster Presentations

Dear Colleagues,

The McKenzie Institute International invites the submission of abstracts for poster presentations of recent and original research related to the conference themes and / or Mechanical Diagnosis and Therapy.

The conditions for presenting a poster at Ottawa are:

1. The poster presenter(s) must [register for the conference](#).
2. The size for poster displays must be no more than 8 feet x 4 feet (2.5 metres x 1.25 metre)

Posterboards will be provided onsite, and our conference manager will coordinate the arrangements with those presenters selected.

Timeline:

| | |
|------------------|-------------------------------------|
| 28 February 2020 | Deadline for receipt of submissions |
| 15 April 2020 | Notification of acceptance |

All submissions must be [processed online here](#) and details required will include:

- Title of abstract;
- Author name(s) and affiliations;
- Person submitting / presenting the abstract; and contact details
- a maximum of 500 words.

Upon receipt, abstract submissions will be reviewed by members of the Conference Scientific Committee and selected based on the quality of the project and the relevance to the conference themes and / or Mechanical Diagnosis and Therapy.

Best Wishes,

Grant Watson, PT
Chairman, Conference Scientific Committee
